# OLYMPIA AMATEUR SAN MARINO

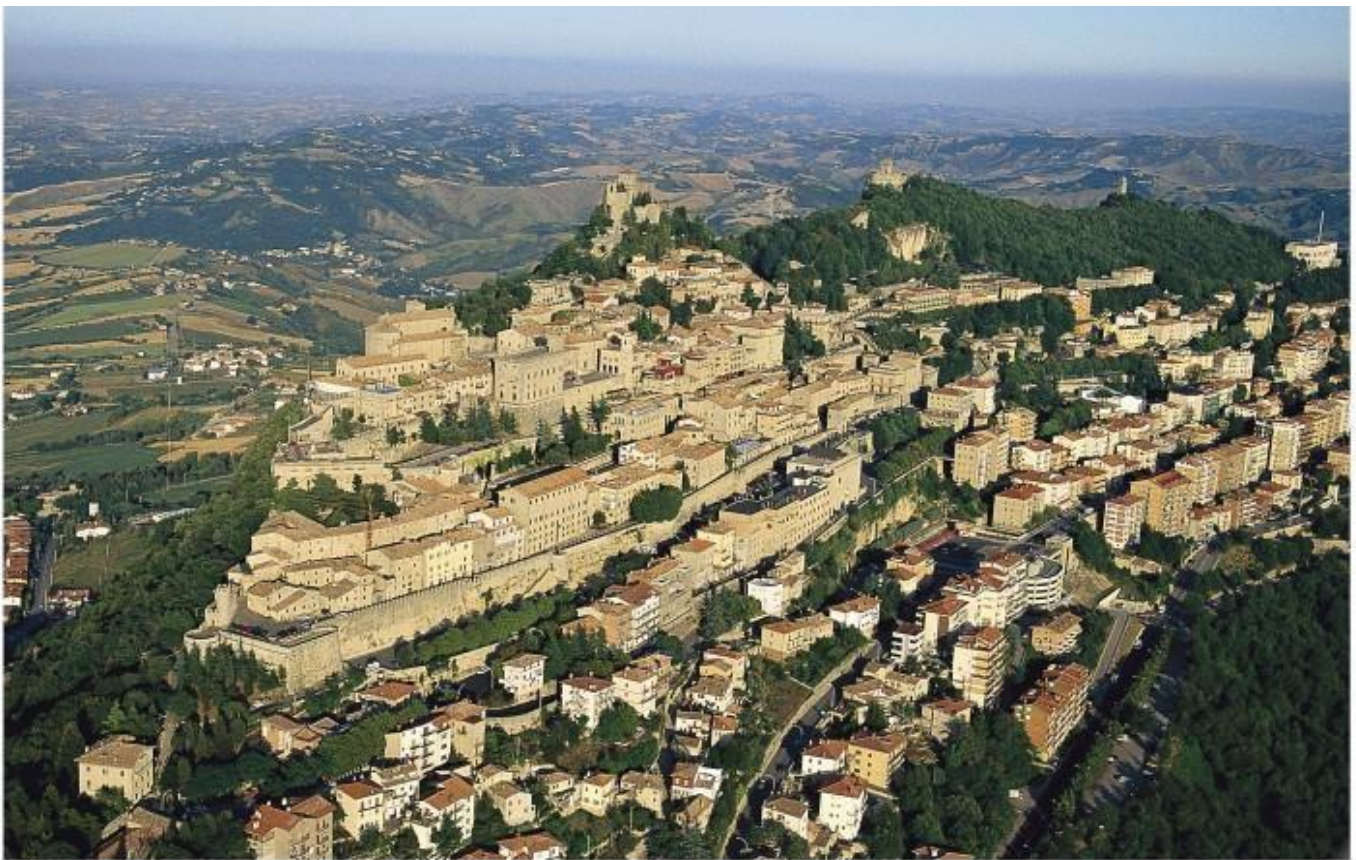

December **2<sup>nd</sup> to 5<sup>th</sup>**, 2016  
(Repubblica di San Marino)

# *INSPECTION REPORT*

## WELCOME

IFBB President, Dr. Rafael Santonja, welcomes to the first edition of the Olympia Amateur San Marino. Mr. Olympia Amateur is a prestigious IFBB international event, an amateur version of the famous Mr. Olympia Pro competition, started by the inspirational concept of bodybuilding pioneer and promoter Joe Weider in 1965. Beside traditional men's bodybuilding, our amateur version will also include men's classic bodybuilding, men's physique as well as women's bodyfitness, women's physique, and bikini-fitness – full spectrum of the spectacular physique sports performed in the IFBB nowadays.

# LOCATION

The Republic of San Marino was founded in 301 A.D. and is the most ancient European Republic. An enclave situated in central Italy, 15 km from the Romagna Riviera, the Republic sits at 700 meters above sea level on Mount Titano, a prominence which gives the first hint of the presence of the Central Apennine Mountains. Each year the Republic of San Marino is visited by millions of tourists from Italy and from all over the world. Most visitors stay in hotels on the nearby Riviera: Rimini, Riccione, Catholica, Milano Marittima and Cesenatico. San Marino is an extraordinary example of independence and intense international activity. Recognized by all the principal world organizations, the Republic of San Marino can boast an undisputed preeminence on themes regarding peace, freedom and the universal rights of man. Its legal and administrative systems form the basis of the most wide-spread form of government worldwide; namely, a democracy. San Marino is well worth the visit! There are many attractions once you cross the border! Shopping, scenery, gastronomy, philately numismatics, celebrations, events, monuments, museums, works of art and typical tourist spots. Entering into the Country is simple since, for tourism purposes, NO PASSAPORT ARE REQUIRED. In the territory of the antique white and azure flag of the Republic of San Marino shopping is easy with the utilization of the euro, the currency of the 27 Member States of the European Union.
